Merry Christmas & A Happy New Year

As 2005 comes to an end, we want to express our sincere gratitude for your genuine interest in our lives. Your partnership with us through your prayers and through your financial gifts has been an invaluable help to us. Thank you!

As we begin our third year at OC headquarters, we are grateful for the increasing number of opportunities that we are now being blessed with in being able to come alongside OC's new missionary interns and short-term personnel as well as being a mentor for some who have been active missionaries in the OC missionary family. We are finishing 2005 with a lot of expectation of what 2006 may be like for us.

As we reflect on the nearly 30 years of a missionary life that has been blessed in so many ways, we can only marvel at God's grace in our lives. We are grateful for the good health that we both now have. We are grateful for the privilege of being members of a mission that is committed to support and to help the church and church leaders throughout the world. We are especially grateful for you.

May this holiday season truly be a season of joy and of hope for you.

Sincerely, in Christ,
