

Introducing Tony and Lisa Svendsen and Beth Malingowski. These two missionary candidate units were accepted by OC during January's scheduled "Introduction to OC." Nancy has the responsibility for coordinating all the activities relative to an Intro and the responsibility of the training during the total of three days of Intro sessions.

Introducing John and Heather Witherow and Dan and Janell Hartley.

John and Heather—along with Micah, Jake, and Caleb—and Dan and Janell left on February 6, 2006, to join SART—which is the South Africa Regional Team. It was a three-year journey for the Witherow family to finally realize their dream of joining SART, and a two-and-a-half-year dream for the Hartleys. It is my responsibility to do whatever I can to assist the OC interns to finally be deployed to their assigned country.

Please pray for Tony, Lisa, and Beth as they begin their people- and fund-raising ministry. Please pray that they will remain encouraged. Thank you. Please pray for John, Heather, Dan, and Janell that they will assimilate smoothly into the South African field missionary team, that they will acculturate quickly into life in South Africa, and that they will integrate strategically into the ministries of the South Africa field ministry team. Thank you.

Sincerely, in Christ,
